

# Steps to Success January 8 Lesson Outline

## **Slide 1: End of Semester Plan**

## **Slide 2: Only Four Weeks Left!**

- Remind students that the quarter / semester ends on Thursday, January 25
- That means with 6 schools days left, students should start thinking about how they will end the quarter.
- Pass out the calendar hand out to students.

## **Slide 3: January Calendar**

- Students can use this to mark their handout calendar with Blue, Gold & Plaid days

## **Slide 4: Grade Check!**

- Students can use their phones or their memories to record their grades on the handout.
- Remind students to look for any missing assignments in each class or opportunities for retakes.

## **Slides 5: To Do List**

- With their handout & planner, students can make a list of work to focus on.
- This can include missing assignments, tests to retake, tests / quizzes to study for, projects, etc.

## **Slide 6: Eagle Time Plan**

- Remind students that they 40 minutes each block day for Eagle Time – that’s typically over two and a half hours each week when they can get work done, study and seek help from teachers.
- As we get to the end of the quarter, it’s really important for students to use this time to their advantage. On their handout, students should plan out when they need to focus on during ET over the next few weeks. Read through the different suggestions on the screen & feel free to add to them.

## **Slide 7: Stick to your plan!**

- Encourage students to stick to their plan
- Students can put this handout in their planner so they can see it over the next few weeks.

## **Slide 8: Rate Yourself**

- Have students flip to the back and rate themselves based on their habits
- Discuss as a class where students think they can improve.
