

2019 Spring SOL Testing Calendar

Thoreau 7th and 8th graders will be taking the Virginia Standards of Learning (SOL) tests from May 7th through May 23rd with make-up testing and expedited retakes continuing into the month of June. These tests are required of all Virginia students in grades 3-12. SOL tests measure the extent to which students have learned the content and skills specified in the Virginia Standards of Learning. Most Thoreau students will be tested with their grade level team according to the schedule below. Please note that some students will be testing on alternate days in order to meet individualized student needs.

Please assist your child in doing well on these tests by making sure he/she is well-rested and eats a good breakfast on his/her testing days. Also, please avoid scheduling appointments on days your child will be tested.
