

Madison High School Curriculum Night

January 17, 2018

Curriculum Night will be held on **Wednesday January 17th**. This program provides parents and students, current grades 8 – 11, an opportunity to learn about academic and elective classes that are available at Madison High School. Teachers and departments from Madison, as well as the FCPS Academies, will have displays and information available to provide you with an excellent opportunity to find out about the different curricular offerings and requirements. There will be plenty of opportunities to ask questions about course sequence, course content, and activities.

6:30 pm -7:15 pm - Auditorium – Overview of High School Curriculum - Rising 9th parents and students. This presentation will include an overview of the freshman curriculum from academic department chairs, a preview to athletics and activities as well as information and advice from some of Madison’s school counselors.

6:30 pm – 7:00 pm – Warhawk Hall – AP Panel Discussion – Rising 10th, 11th & 12th grade parents and students. This discussion will consist of several current AP teachers along with current students in various AP classes. This is an opportunity to hear directly from the teachers and students about their insights and the expectations from the AP classes.

7:00 pm - 8:00 pm- Academic Sessions – all parents and students
