

WANT TO GO TO COLLEGE?

But not sure where to begin?

APPLY TO THE COLLEGE PARTNERSHIP PROGRAM!

The College Partnership Program (CPP) is designed to support students who are from populations that are traditionally underrepresented in college (first in family to attend college in the U.S., economically disadvantaged, students of color, students with disabilities, English Language Learners, immigrant students) in exploring, applying and enrolling in college. In accordance with FCPS' goal to eliminate gaps in opportunity, access and achievement for all students, CPP focuses on academic advising, college visits, parent engagement, and preparation beyond high school.
